## BRIDGE DEDICATION

The unusually mild spell of weather that we have been experiencing held good for the scheduled dedication of the bridge, which was carried out at 3 o'clock the afternoon of Wednesday, November 12.

The structure was a little over a year in the construction stage, starting late in 1956 and being put into operation late in the year of 1957, with final surfacing being completed early in the summer of 1958.

A group of over 200 persons from both sides of the river was on hand to watch the official dedication of the bridge, declaring it officially open, although the bridge itself has been in use for a year.

Highway #57 from Alaska Corner to the bridge is now finished with gravel coat and is a very good road. It is expected that the rest of the highway, connecting Calmar and Drayton Valley, and, of course, connecting Drayton Valley with 1/2 Highway, will be finished during next year.

Those who took part in the dedication ceremonies at the bridge represented the Highways Department, two federal ridings, three provincial constituencies, Municipalities, the Town of Drayton Valley and the Drayton Valley Chamber of Commerce.

Very capably filling the office of Master of Ceremonies was Mr. Floyd Modin, Postmaster of Calmar. Mr. Modin also represented the Town of Calmar, as he is a member of the Council. The invocation was given by Rev. J.A. Wingblade, M.L.A. for Watakiwin Constituency. A few words were given by Mr. E.E. Ansley, M.L.A. for Leduc Constituency, by Mr. H.E. McLaughlin, M.L.A. Stony Plain Constituency, and Mr. A.E. Ziemer, Reeve for Leduc Municipality. Mr. Ziemer mentioned the fact that he had once had a sawmill cutting lumber just east of the river, close to the present bridge site. He told of the difficult roads and trails into the country at that time, and said that perhaps none of those who worked in the bush there at that time could have visualized the fine modern bridge spanning the Saskatchewan, and the splendid road leading to it.

Next on the list was the Reeve from Stony Plain Municipality, Mr. J.M. Evjen, who was unfortunately unable to be present, so his place was filled by Mr. Anders of Stony Plain Municipality.

Dr. Hugh Horner, M.P. for Jasper-Edson and Mr. James Speakman, M.P. for Watakiwin also were

introduced and spoke briefly. Mr. A. Meier, in his capacity as Mayor of Drayton Valley, gave a brief address of welcome, followed by Mr. H.O. Williamson, president of the Chamber of Commerce, for Drayton Valley.

Mr. L.H. McManus, Chief Bridge Engineer, spoke briefly, followed by the main speaker for the dedication, Honorable Gordon Taylor, as Minister of Highways.

In his dedicatory address Mr. Taylor paid tribute to the efforts of the pioneers who had been ready to forgo the comforts of an established pattern of life and to go out into the pioneer areas. Mr. Taylor also mentioned that the bridge had been designed by men who had been trained in the University of Alberta, whereas in years past it had been necessary to call in engineers from outside Alberta to draw up bridge and similar designs.

At the close of his address Mr. Taylor asked that all men and women present who had been in the area for from twenty-five to forty years would stand with him during the official ribbon-cutting ceremony. Among those men and women who gathered with Mr. Taylor was a retired farmer, Mr. Richard Payne, of Lindale, who has been in the district for forty four years. Mr. Payne said he had come into the district in 1914, before there was a fence post anywhere in the vicinity.

Canadian Coachways ran a special bus out from Edmonton to pick up those who wished to come from Calmar, Warburg and other places along the proposed route from Edmonton to Drayton Valley. The bus also took a short sight-seeing tour of the district on both sides of the bridge.

At seven o'clock in the evening Chamber of Commerce members and their sponsored guests sat down to a very good banquet in the Carium Room. Seated at the head table were Mr. and Mrs. Williamson, with Mr. Williamson acting as M.C. for the occasion, Mr. Taylor, Mayor and Mrs. Adrian Meier, Mr. and Mrs. Speakman, Dr. and Mrs. Horner, Mr. Ansley, Mrs. Evans and Mr. and Mrs. Harold McLaughlin. Grace was said by Mr. Wingblade.

In his keynote address Mr. Taylor outlined the very good construction which had gone into the building of the new highway east of the bridge, starting with the sub-grade and continuing with its modern width of forty-two feet, allowing for two ten-foot lanes and nine foot shoulders on each side.

## BRIDGE DEDICATION

The unusually mild spell of weather that we have been experiencing held good for the scheduled dedication of the bridge, which was carried out at 3 o'clock the afternoon of Wednesday, November 12.

The structure was a little over a year in the construction stage, starting late in 1956 and being put into operation late in the year of 1957, with final surfacing being completed early in the summer of 1958.

A group of over 200 persons from both sides of the river was on hand to watch the official dedication of the bridge, declaring it officially open, although the bridge itself has been in use for a year.

Highway #57 from Alaska Corner to the bridge is now finished with gravel coat and is a very good road. It is expected that the rest of the highway, connecting Galmor and Drayton Valley, and, of course, connecting Drayton Valley with #2 Highway, will be finished during next year.

Those who took part in the dedication ceremonies at the bridge represented the Highways Department, two federal ridings, three provincial constituencies, Municipalities, the Town of Drayton Valley and the Drayton Valley Chamber of Commerce.

Very capably filling the office of Master of Ceremonies was Mr. Floyd Modin, Postmaster of Galmor. Mr. Modin also represented the Town of Galmor, as he is a member of the Council. The invocation was given by Rev. J.A. Wingblade, M.L.A. for Wetsaskiwin Constituency. A few words were given by Mr. B.E. Ansley, M.L.A. for Leduc Constituency, by Mr. H.B. McLaughlin, M.L.A. Stony Plain Constituency, and Mr. A.E. Ziener, Reeve for Leduc Municipality. Mr. Ziener mentioned the fact that he had once had a sawmill cutting lumber just east of the river, close to the present bridge site. He told of the difficult roads and trails into the country at that time, and said that perhaps none of those who worked in the bush there at that time could have visualized the fine modern bridge spanning the Saskatchewan, and the splendid road leading to it.

Next on the list was the Reeve from Stony Plain Municipality, Mr. J.M. Evjen, who was unfortunately unable to be present, so his place was filled by Mr. Anders of Stony Plain Municipality.

Dr. Hugh Horner, M.P. for Jasper-Edson and Mr. James Speakman, M.P. for Wetsaskiwin also were

introduced and spoke briefly. Mr. A. Meier, in his capacity as Mayor of Drayton Valley, gave a brief address of welcome, followed by Mr. H.O. Williamson, president of the Chamber of Commerce, for Drayton Valley.

Mr. L.H. McManus, Chief Bridge Engineer, spoke briefly, followed by the main speaker for the dedication, Honorable Gordon Taylor, as Minister of Highways.

In his dedicatory address Mr. Taylor paid tribute to the efforts of the pioneers who had been ready to forgo the comforts of an established pattern of life and to go out into the pioneer areas. Mr. Taylor also mentioned that the bridge had been designed by men who had been trained in the University of Alberta, whereas in years past it had been necessary to call in engineers from outside Alberta to draw up bridge and similar designs.

At the close of his address Mr. Taylor asked that all men and women present who had been in the area for from twenty-five to forty years would stand with him during the official ribbon-cutting ceremony. Among those men and women who gathered with Mr. Taylor was a retired farmer, Mr. Richard Payne, of Lindale, who has been in the district for forty four years. Mr. Payne said he had come into the district in 1914, before there was a fence post anywhere in the vicinity.

Canadian Coachways ran a special bus out from Edmonton to pick up those who wished to come from Galmor, Warburg and other places along the proposed route from Edmonton to Drayton Valley. The bus also took a short sight-seeing tour of the district on both sides of the bridge.

At seven o'clock in the evening Chamber of Commerce members and their sponsored guests sat down to a very good banquet in the Carium Room. Seated at the head table were Mr. and Mrs. Williamson, with Mr. Williamson acting as M.C. for the occasion, Mr. Taylor, Mayor and Mrs. Adrian Meier, Mr. and Mrs. Speakman, Dr. and Mrs. Horner, Mr. Ansley, Mrs. Evans and Mr. and Mrs. Harold McLaughlin. Grace was said by Mr. Wingblade.

In his keynote address Mr. Taylor outlined the very good construction which had gone into the building of the new highway east of the bridge, starting with the sub-grade and continuing with its modern width of forty-two feet, allowing for two two-foot lanes and nine foot shoulders on each side.

# KEN MASON'S COLUMN:

The government last week took the wraps off its proposed program of nursing homes for chronic patients in Alberta.

Health Minister Dr. J. Donovan Ross said nursing homes will be built in between 35 and 40 Alberta centres, and the cost of construction may run as high as \$15,000,000. Operating costs probably will amount to between \$4,000,000 and \$6,000,000 per year.

Aim of the plan is to provide facilities for the care on chronic patients who can't stay at home, but who don't require active hospital treatment. The plan is part of the "five-year development program" announced by the government last summer.

Preliminary surveys indicate the province needs 2,500 to 3,000 chronic beds, which are expected to cost from \$4,000 to \$6,000 per bed.

The province will bear the lion's share of the cost, but the patients and the municipalities will have to contribute. Municipalities will have to initiate the action and apply for authority to build a nursing home. If it is granted, the municipal council will have to borrow money to finance the project. The province will then agree to repay the loan.

There will be a flat rate of one to one and a half mills assessed against the municipality every year to cover the municipal share of capital and operating costs. The patient will pay about \$1.50 per day -- approximately the same amount as patients pay under the existing active hospital treatment plan in Alberta.

Patients in some of the existing private nursing homes may be the first to benefit. Dr. Ross says some of the private nursing homes which meet provincial requirements will come under the provisions of the new plan, which is expected to go into effect next April 1.

When it goes into effect, patients who have been paying as much as \$250 per month to private nursing homes will see their rates reduced to around \$45 per month.

The province is going to have the last word on the standard of service to be provided by the new nursing homes. Maximum amounts will be set for the cost per bed and for daily operating costs. Any municipality which wants higher standards will have to foot the bill.

THE FARM VOTE is far from forgotten in the now famous "five-year-plan" of Premier Manning.

Last week Agriculture Minister Leonard Macrae revealed details of the plan under which home improvement loans will be made available to Alberta farmers. The government will guarantee principal and interest to the tune of 50 per cent on loans to a maximum of \$2,000.

This means that if a farmer borrows \$2,000 to improve his home, the government will guarantee repayment of \$1,000 plus interest. As a result, chartered banks and treasury branches have agreed to cut the interest to

(cont'd next column)

# Ken Mason's Column: (cont'd)

five percent from the normal six per cent. Main aim of the plan, says the minister, is to provide farm homes with sewer and water systems which at present are too expensive for some farmers. However, he added, the money can be used for other home improvement projects.

WATCH FOR a record road work program in Alberta this winter. The government plans to spend around \$2,000,000 on brush clearing, gravel stockpiling, rock blasting and other work during the winter months.

Highways Minister Gordon Taylor says the program will provide winter employment for nearly 1,000 men. He adds that if the federal government would enlarge its program of aid for winter work, the province could employ another 2,000 men.

Biggest project in the province will involve brush clearing in preparation for a complete rebuilding of the 300-mile Mackenzie Highway, which links Alberta with the Northwest Territories. Contracts worth more than \$3000,000 have been awarded. Mr. Taylor says the province plans to rebuild the road "to much higher standards."

KENNETH J. HAWKINS, who played a leading role in formulating Alberta's financial policy during the post-war years of record of record expansion, has retired from his post as deputy provincial treasurer.

He is only 61 years of age, but he decided to take advantage of the right to retire, and has taken up residence in the Okanagan Valley. His successor is Frederick G. Stewart, 49, who has served as assistant deputy treasurer since 1949.

# SEARCH FOR TALENT SHOW.

The thirteenth annual Search for Talent Show was presented in Drayton Valley Community Hall on Saturday, November 8, before some 500 persons. Search for Talent has been presented in Drayton Valley several times before. It is put on under the sponsorship of Associated Travelers Association of Canada, and Radio CFRN.

The show, which is staged on Saturday evenings in various places throughout northern Alberta, is undertaken to give aid to Crippled Children of the northern Alberta area.

In addition to the Travelers who freely give of their time in lining up the shows in various places and who sell tickets and votes at the time the show is presented, many well-known T.V., radio and stage professional artists give freely of their time to present a stage show after the local Search for Talent Show. The stage show after the local show are always of the highest professional quality.

All monies taken in go directly to the aid of the Crippled Children's Fund and is used to aid in medical and hospital expenses incurred in bringing life and activity back into the

## SEARCH FOR TALENT SHOW - (Continued)

limbs of children who have been crippled by disease or accident.

The local lineup for the show on Saturday night was as follows:

1. Loreen Fast, 2. Stella Mickelow, 3. Patricia Kacior and Judy Rowles, 4. Judy Rowles, 5. Ricky Simen, 6. Leonardsonsony, 7. Fred Hunt, 8. Gloria and Grace Gladstone, Lindale, 9. Charlie Byers, 10. Frankie Hallett, Tomahawk, 11. "Ontario Slim". With the exception of Numbers 8 and 10, all the other contestants were from Drayton Valley.

About 500 persons were in the Community Hall to see the "Search for Talent" show. At the close of the voting number 11 was in first place, number 2 in second, number 5 in third and number 10 in fourth place. The show will be recorded over CFRR Radio between 8 and 9 the evening of November 22.

Versatile and talented, Producer and Director, of the show, Jack Denistoun, as usual, played the piano accompaniment for the show, took part in comedy skits and sang.

Back in the harness again as M.C. was the inimitable Tony "The Nose" Blamonte. The aftershow featured all new players this year. The lineup included Dancer John Kerr, young Alec and Shirley Wisninski, known as "The Wranglers". Alec and Shirley drew heavy applause with their vocal and guitar numbers. George Moir gave several excellent numbers on the accordion. One of the best features of the entire professional after show was put on by Magician Bob Lang, who proved he was an "escape artist" when he was put in to a heavily locked trunk, which then had ropes tied tightly around it. In just a few seconds Mr. Lang had taken off both pairs of handcuffs which had been put on his wrists, come up out of the box, put the handcuffs onto the wrists of his assistant, and put his assistant into the box which was still tightly locked and rope-bound.

The Travelers who were on the job for this season show were George Karasim, of Royal Fruit, Ed. Tetrault, of Royal Fruit, Arnold Stoll, of Premier Steel and Rusty Poff, of Alec Latta. Corinne Noonan was Director of Publicity and Bob Robertson was program engineer to record the program for later radio transmission.

## PUBLIC NOTICE

## BRIDGE DEDICATION (continued from front page)

Mr. Taylor said the road would be brought to modern safety features, with sideslopes at a ratio of 4 to 1, so that if a vehicle, has to take to the ditch it will have a better chance of tipping over. Grades, said Mr. Taylor would have long range visibility. The highway would be brought up to all specifications for heavy loading.

Mr. Taylor said that Drayton Valley was in line for a black top road, and that the highway from Calmar to Drayton Valley was being brought to all specifications for hard-surfacing. In the meantime, the Highway Minister said, the highway north to Highway #16 would be blacktopped at the earliest possible date, undoubtedly by next spring.

In passing, Mr. Taylor mentioned the possibility, some time in the not too distant future of a highway from Drayton Valley to Rocky Mountain House, on the west side of the Saskatchewan River.

Almost all of the surrounding towns and hamlets were represented at the banquet, by representatives from the Town, as Mayor, or from the Chamber of Commerce, or Board of Trade.

A colorful note was added to the proceedings by the presence of Corporal Fripps of Drayton Valley and Corporal Hopkins, of Breton detachment, in dress uniforms.

The members of the Drayton Valley Chamber of Commerce who were present, and their guests from other towns were all unanimous in their verdict that the whole affair had been well planned and had gone off very smoothly. Much credit is due to the efforts of Mr. Earl Ansley, M.L.A. for Leduc Constituency, and secretary-treasurer for the town of Calmar for his untiring efforts in planning, in conjunction with committees of the Drayton Valley Chamber of Commerce, the affair.

At the close of the Banquet Mr. Jimmie Gee, of the Department of Municipal Affairs took the floor to thank the local Chamber of Commerce for their hospitality. Mr. Gee, who was one of the first representatives of the Department of Municipal Affairs who were charged with the oversight of the booming young town of Drayton Valley during its first formative months, also reminisced briefly on the beginning of the oil boom here, and the way the Department of Municipal Affairs officers were the public whipping boys for Drayton Valley citizens as a result of their efforts to direct the growth of the town.

After listening to Mr. Taylor's speech one came away with the feeling that there would be a provincial election in the early summer of 1959.

# WHITTLING OR CARVING?

"The Life of man is only to be used by it's usefulness." Did you ever see a boy without his knife? He always carries one, and you can see the little fellow going along barefooted down the land with the dog at his heels. He whistles a soft tune, and with his knife in one hand and a stick in the other he just whittles away not making anything particularly.

Then you have gone by a man later on in life who is sitting in the sun and in his hand you find a knife and a piece of wood. But his movements are calculated, and his knife isn't used for whittling; he is carving.

The difference between whittling and carving is purpose. The boy had no purpose; the senior man had purpose. They both had the essentials - knife and wood. But there is a world of difference between the person who whittles and carves.

God has given every man as it were a stick of wood - your life. He has given every man a knife - your talents. Also every one has time.

Recall to your mind the story of Peter waiting; Christ after the latter resurrection. Peter is back by the seaside, and Jesus meets him there with the question, "Love me more than these?" Peter answers back in the positive each time.

Christ was trying to get Peter to remember the purpose of his call and to get on about it. When Christ found that Peter was just whittling away on a, "Confession of faith," and only that, he came to him and brought a lesson, which every person who calls himself a Christian can well harken to today. That lesson is that one cannot be a Christian by good words, but that if he is going to be a part of God's Fellowship he had to get to work and live the Holy life and to be of service to God.

Our road of life lies our before us. It is for us to travel on. Other things can wait. But Christ is demanding us to keep the purpose of God's witnesses of the Word and supporters of God's righteousness where ever we go. The criterion is service. You as a Christian need to be in the service of Christ every day of every week with your very life.

Every man can do one of three things:

1. He can waste his life and squander his time by just whittling away.
2. He can make his life a tavern for evil.
3. He can construct a cathedral for God and the Community.

Which way have you chosen to go? The sharpness of a knife determines the speed of whittling or the skill of carving. Education, philosophy, science do sharpen your knife. They make it more devastating as a whittler or, more efficient as a carver (next column)

But purpose decides the end. Let me ask you this question. Is your life a merry-go-round of whittling, of Yes Lord, like Peter answered Christ's question, "Love me more than these?" Or are you carving a worthwhile life by surrendering your whole life to Christ? We know Peter did this because his life was useful in the spreading of the "good news" which brought hope, faith, and trust in the eternal God to countless millions across the centuries.

Rev. J.C. Wiuff.

## OIL WIVES ASSOCIATION.

The monthly meeting of the Oil Wives Association of Drayton Valley was held on November 10th in the Carium room of the Drayton Valley Hotel. A delicious steak dinner was served to 104 members and 7 guests.

The business meeting got underway at 8:45 p.m. with the reading of the minutes and reports from the various committee groups. Plans were made with regard to the Christmas party, which will be held at the December 8th dinner meeting. After much discussion arrangements were finalized and it was decided to have a party preceding dinner. Gifts will be exchanged and entertainment will be organized by the Program Committee.

Danita Bolling has returned from the United States and will now resume her duties as Chairman of the Program Committee. Mrs. Bolling took the floor during the meeting to thank everyone for their thoughtfulness during her recent illness.

At the conclusion of the business meeting, special guest, Mrs. H. MacLure was introduced. Mrs. MacLure showed slides of Africa where she and her family did missionary work for several years. Following the films, Mrs. MacLure displayed several items from Africa and answered many questions. A very interesting and enlightening evening for all.

Rhoda Hoennmans, Reporter.

## EASTFORD NEWS.

By: Inez Oscar.

In Drayton Valley Hospital is Harry McConnell, three year old son of Mr. and Mrs. Ray McConnell, who was injured last week when he fell out of a car moving at about fifty miles per hour.

He was riding with his uncle Eric Carlson on the Tomahawk road and it is thought that he leaned on the handle of the back door of the car, causing it to come open. He suffered cuts and bruises to the head and face and injured one finger but is improving nicely and will soon be out of the hospital.

Mr. and Mrs. William Louth of Jasper were visiting here last week. Mrs. M. Oscar returned to Jasper with them and then continued on to Quenael, B.C. to visit her daughter and family The Russel Stewarts.

Children and teens have been enjoying skating on several nice ice covered ponds in the Mobil Oil lease. Some are skating on the river although it is only safe in a few spots.

# —LIONS GIVE CHEQUE TO HOSPITAL BOARD.

In the picture to the left the Drayton Valley Lions Club is making the presentation of the cheque for the furnishing of one of the rooms in Drayton Valley Municipal Hospital.

Making the presentation, which was done at the regular meeting of the club, is Lion President Dunc. Larbellestier; receiving the cheque in behalf of the hospital board is Dan Sawatzky, of Cynthia.

Members of the hospital board were guests of the Lions club for the occasion. Hospital Board members present were chairman Don McKenzie, Beattie Cumming, Eric Froehl, Otto Guse, Secretary-Treasurer Lyt Krauter, and M. Seuter. One member of the board, Lief Stordalsvold, was not present.

In the scene below Drayton Valley Lions are seen at the dinner meeting in the Cardium Room, with other members of the hospital board. The Lions Club has erected the hockey rink next to the Recreational Centre. Various fund raising projects have been undertaken since the club was organized in January of this year. Membership now stands at about 75 members. The club was organized with 59 members and, as is customary in Drayton Valley, there have been quite a few transfers as members have left but many new members have been taken in for substantial gains in the first ten months of the clubs' activities.

FOR SALE: 1958-41x10' HALLMARK HOUSE TRAILER. \$400. and take over payments. Phone 49.

## NOTICE OF POLL

Public notice is hereby given that a vote of the ratepayers of the Drayton Valley Municipal Hospital District #7 will be held on By-law #5 and By-law #6 of the Drayton Valley Municipal Hospital District #7. The following is a synopsis of the By-laws:

### BY-LAW #5

A By-law of the Drayton Valley Municipal Hospital District #7 to authorize the Board of the said district to borrow by way of debentures, the sum of \$50,000.00 for the purpose of constructing and equipping a Nurses' Residence in the Town of Drayton Valley. Such debentures will be repayable to the bearer in 20 equal annual instalments with interest at not more than 6% per annum.

### Schedule "A"

- (1) Paying balance of hospital equipment voted not authorized under Board of Public Utility Order #20629 for additional borrowings.
- (2) Landscaping.
- (3) Auxiliary Lighting Plant.
- (4) Additional hospital equipment not supplied by grants.

A copy of By-laws #5 and #6 has been posted in the business office of the hospital and may be inspected at any time during regular business hours.

Certified a true and correct synopsis of By-laws #5 and #6.

L.A.E. KRAUER.

Secretary-Treasurer.

Polling will take place on Tuesday, the 25th day of November AD 1958 between the hours of nine o'clock in the morning and six o'clock in the afternoon at the following polling places:

- |        |                                     |
|--------|-------------------------------------|
| Ward 1 | Cynthia at Direct Lumber office     |
| 2      | Lodgepole Town Hall                 |
| 3      | Eastford Store                      |
| 4      | Rocky Rapids Post Office            |
| 5      | Violet Grove...G. Allen's Residence |
| 6      | Drayton Valley Community Hall.      |

I will be in attendance at the business office of the hospital on Thursday, the 27th day of November AD 1958 to sum up the votes and declare the results.

Given under my hand at the business office of the hospital this 6th day of

November AD 1958.

MRS. M. STORHOLM

Returning Officer.

**THE PEMBINA NEWS ADVERTISER**

November 20, 1958 Vol. 3. No. 46 A. Playford, Editor.  
Box 120. Drayton Valley, Alberta.

**INFORMATION REGARDING NOVEMBER 25, 1958, HOSPITAL FLEETSITE:**

**PURPOSE:** By-law #5, to provide suitable accommodation for Nurses that will meet the requirements of the Department of Health, enabling the Hospital to receive construction grants provided by the new Dominion-Provincial Hospital Plan.

By-law #6 to provide necessary capital to complete your hospital to meet the standards as set out by the new Dominion-Provincial Plan.

Our Provincial Government entered into the Dominion-Provincial Plan in July, 1958, which plan has substantially changed methods of financing since our original plan was accepted by the Ratepayers of this District. Many additional benefits are now derived by your District from this Plan, which more than offset this additional capital expenditure, in order to comply with their standard.

Officials of the Department of Health have indicated in public meetings and in the press that payments for capital costs will be borne by the Provincial Government. If this proves to be true (and your Board has no doubt it will) it will mean that the Province at large, rather than our Hospital District, will be paying for the Hospital and Nurses Residence. The resulting benefits to you, the ratepayer, are obvious.

**WHO MAY VOTE:**

- All persons liable for taxes under the Municipal District Act.
- The wife, husband, sons and daughters, father or mother, at least 21 years of age, of such persons, and residing with such persons within the hospital district.
- Corporations by an agent authorized in writing to do so.
- If your name is not on the voters' list, and you are qualified to vote, you may vote by signing a declaration on a form provided under the Act at the poll at the day of voting.

**VOTE YES!**

For further information contact any of your Board Members: D. G. McKenzie; Chairman, T.B. Canning; Vice-Chairman, C. Guse; E.T. Proehl; D. Sawatzky; F.H. Seutter; L. Stordalsvoll; L.A.M. Asante, Secretary-Treasurer.

**MARK YOUR BALLOT THUS:**

Date: November 25, 1958. BY-LAW #5

TO AUTHORIZE the Board of the Drayton Valley Municipal Hospital District #7 borrowing, by way of debentures, the sum of \$50,000.00 for the purpose of building and equipping a Nurses Residence in the town of Drayton Valley?
